A vertical poster for the 74th Acfas Congress. The top section features a golden scale of justice against a blue background with vertical lines. Below this, the text "LE SAVOIR" is written in large, bold, yellow letters, followed by "TRAME DE LA MODERNITÉ" in white on a dark green background. Further down, there is a purple and gold geometric pattern. The bottom section contains the dates "Du 15 au 19 mai 2006" and the location "Université McGill". The Acfas logo is visible in the top right corner of the poster, and the McGill and Quebec logos are at the bottom.
