

The Anna I. McPherson Lectures in Physics
2015-2016

Public Lecture:

From Einstein to Wheeler: Wave-Particle Duality for a Single Photon

Adams Building
3450 rue University
Adams Auditorium

Thursday
November 19th
19:00

International
Year of Light
2015

Scientific Lecture:

Anderson localization of ultra-cold atoms: a quantum simulator

Rutherford Building
Keys Auditorium
Room 112

Friday
November 20th
15:30

Albert Einstein
Medal (2012)

Alain Aspect

Augustin Fresnel Professor
at Institut d'Optique
Palaiseau - France

Department of Physics
McGill
